Interests

Cooking desserts, reading, playing videogames and board games, listening to music, D&D, miniature painting, 3D printing, generally being creative with arts and crafts while sipping a good cup of tea.

About me!

I'm a keen 3D animator with a strong eye for detail, excellent problem solving skills and always eager to improve my craft. My enthusiasm for animation has helped me become a highly motivated team player with great communication skills across departments. I welcome new challenges and would be more than happy to relocate if required.

Work experience

2023–to date. Part time animator at Untold Games on City 20.
2022. Freelance 3D character animator on “Brothers tale of two sons” remake for Make Animation.
